October 23, 1965 Vol. 5-39

During the first Statutory Meeting of the new Council, the two elected Councilors, John deBruijn and Ray Gibbon are listening attentively to the Election Report of Mr. G.P. Moore, Returning Of-

ficer for the October 13th Town Election. The picture shows from left to right the Councilors, Armand Donais, Ray Gibbon, and John deBruijn. Standing, the Returning Officer, Mr. G.P. Moore.

EXTENSION GRANDIN SHOPPERS PARK

Last Meeting of Council Before Newly-Elected Council, October 12, 1965
Present: Mayor Fowler, Councilors Walker, Donais, Parkes, Stewart, deBruijn.

Sidewalk to Paul Kane High School - During previous meetings of Council, regarding this matter, it was decided that

Mr. Walker would obtain petitions from the adjacent land owners for sidewalk installation for the above. To date, no petition has been received. Mr. Wheatling presented the recommendation that temporary sidewalk blocks be installed for this sidewalk, and when such time arrived as the permanent sidewalk would

THANK YOU ...

To the Voters of St. Albert.

I wish to extend my sincere thanks to the people of St. Albert for the reception accorded me during my recent election campaign. My respectful gratitude to all the persons who supported me on Oct. 13, 1965, and to the Independent Candidates Committee and those who worked on my behalf.

To the successful candidates my most hearty congratulations.

Albert Vononi.

continued from page 1

be installed, these blocks could be lifted and used for many other purposes by the Town, thereby no monies would be wasted on these blocks. Council accepted the motion made by Councillor Stewart to proceed with a temporary sidewalk. It should be noted that in declaring an interest in supplying of these blocks, Councillor Donald abstained from voting.

Recreation Conference - Banff - Delegation - There was a recommendation from the Recreation Board that the Town partially pay the expenses of two or possibly three delegates to this Conference. The partial payment the Board was requesting was the registration fee of \$5 per person plus the transportation costs. Councillor Bakker moved that Council authorize payment of registration fees for possibly three persons, and the mileage for one vehicle, at the standard rate paid by the Town. Carried.

Letter from Lady Churchill - Mr. Wheatling read a letter from Lady Churchill thanking the Town for the album of photographs of the unveiling ceremony of the naming of Sir Winston Churchill Avenue. Councillor Stewart moved that this letter be framed and displayed in the Town Hall, and that copies of the letter be made available to the press. Carried.

St. Albert & District Chamber of Commerce - Recreation Complex - Mr. Wheatling read a letter from the St. Albert & District Chamber of Commerce stating that at a meeting of the St. Albert & District Recreation Centre Committee held on October 5th, 1965, it was recommended that a letter be forwarded to the Council of St. Albert suggesting that the location of the swimming pool be only on land suitable for further staging of Recreation Complex, or an area with adjacent properties that will be available in the future to accommodate such a complex. In another letter from

the St. Albert & District Chamber of Commerce, they advised the Council that at a meeting of the newly formed St. Albert & District Recreation Centre Committee, it was suggested that a member of Council be asked to attend all future meetings of this Committee in order that a closer liaison may be maintained between Council and the Committee.

Grandin Shoppers Park Ltd. - Extension - Mr. Wheatling referred to a letter from Grandin Shoppers Park Ltd., requesting that Council consider their application for a permit to extend the present building in Grandin Shoppers Park. The proposed extension would cover an area of approximately 1,500 sq. ft. They did not however, propose to provide additional parking for the extension at the present time, and if permission were granted, they would undertake that upon any further extension of the Shopping Centre they would provide parking at the ratio of four to one to cover the extension now under consideration, and would of course, provide the usual additional parking at the ratio of three to one for any further extensions. At this point Mr. Roberts with the assistance of Mr. Woodroffe, showed the Council the proposed plans for the addition, and advised that the most westerly portion of the double access at the north east corner of the Shopping Centre would have to be closed. In view of the fact that the present Shopping Centre is under two parcels and separate ownership it was queried as to whether one parcel could not be sold thereby leaving no available space for additional parking. Councillor deBruin moved that this item be tabled until such time as ownership of these parcels can be clarified, and that an attempt be made to having an Agreement drawn covering the proposed parking on future development and a suitable caveat be placed on the land so that it could not be sold until the parking was provided, and that the access afore-mentioned, be closed. The Developer is to assume all costs.

Minster Park Development Project - By-law 44/64 provides for the preparation of park areas, and Mr. Gates in a memorandum to Mr. Wheatling pointed out that considering the winter program, the Parks Department must provide skating

To the Electors of St. Albert

I wish to extend my deepest appreciation and thanks to those of you who supported me in the recent election.

To the successful candidates I extend sincere congratulations and trust that the next election will be as enjoyable as clearly as the past one.

Sincerely

D. G. MacEachern

THANK YOU ...

I wish to offer my sincere thanks and appreciation to my supporters who made it possible for me to be a successful candidate for the Public School Board on October 13th.

facilities in the Minster sub-division for the forthcoming season, and that funds must be made available now. It would be possible to lease this area now if \$1,500 could be borrowed from the Parks Maintenance Account to be repaid to that account at a later date, when the funds from Capital Expenditure become available. Councillor deBruin moved that the Parks Department be authorized to expend \$1,500 from the Parks Maintenance item budgeted, to be repaid from the sale of debentures.

S. & S. Homes Ltd. - Mr. Wheatling read a letter from R.L. Speciman, General Manager of S. & S. Homes Ltd. Mr. Wheatling further advised that a brief prepared by Mr. Speciman was circulated to the Councillors for their study. Early last spring the Town negotiated with S.

Powder advised Council that he and Mr. Michie had discussed a new Recreation Board By-Law which Mr. Michie was preparing. Mayor Fowler further stated that he assured Mr. Michie, that Council would most likely be prepared to consider any proposed by-law which would bring about solutions to problems Councillor Donais indicated previously. At the end of this meeting, Councillor Stewart extended his congratulations to the Mayor and the Councillors "in the excellent manner of wrapping down on their Maiden Voyage". Mayor Fowler offered his appreciation and thanks to Councillor Stewart for the fine work carried on by Councilor Stewart in the past 41 months.

First Statutory Meeting of Council, October 18, 1965

Mayor Fowler congratulated the newly elected Councillors, John deBruin and Ray Gibbon. Mr. G.R. Moore, Returning Officer, took the Oath of Office from the new Councillors. Councillor deBruin was appointed for the next three months as Deputy Mayor. Councillor Gibbon was appointed in the vacancy of the Public Works Committee (Dr. Stewart) and Councillor John deBruin was appointed again as member of the Financial Committee. The date, hour, and place of the regular Council and Committee meetings will be the same as it was before.

continued from page 2

& S. Homes for a new land sales policy for the Sturgeon Heights Stage V area. Prior to June the Town's policy was that when a lot was optioned the Town required the full price of the land, not including utilities. In order to expedite sales of the lots in Stage V - Sturgeon Heights, the land sales policy was changed to provide for options to be let for a period of ninety days with provisions for an extension of an additional ninety days on the initial deposit of 10% of the land value. The additional extension would be on the additional deposit of 5%. S. & S. Homes in the early part of August optioned 52 lots in Stage V with the 10% deposit. Recently S. & S. Homes purchased two lots, and building permits, for two show homes and another 16 lots were purchased in full, with as-

signments received for the utilities. In total the Town has received approximately \$20,000 in purchase of land. Mr. Speelman, in his brief, pointed out their desire to have Council review the present land sales agreement whereby rather than pay for the lot in full upon issuance of the building permit, would the Town consider a deposit and take the balance of the full amount of the land from the first mortgage draws. Councillor deBruin moved that this item be referred to the Finance Committee for their consideration. Council - Recreation Board - Councillor Donais brought to the attention of Council the fact that he felt the recommendations of the Recreation Board were not given the proper consideration by the Parent Body of Council. He further stated that it had been the hopes of the Recreation Board for two years that some form of liaison, or connection would be established between the Council and the Recreation Board. Councillor Donais suggested he would like to see a report from the Recreation Board, presented to Council about once a month, as he felt a great deal could be accomplished in having this done. Mayor

MEET

DR. HERB MELTZER

LIBERAL CANDIDATE

FRIDAY OCTOBER 22nd.

8.00 P.M.

COMMUNITY HALL - ST. ALBERT

SPONSORED BY THE DR. MELTZER CAMPAIGN COMMITTEE

THE RALLY

Only 65 interested taxpayers attended the October 1965 Election Rally, sponsored by the St. Albert Chamber of Commerce. A disappointing turnout, partly due to the fact that it was held on the evening of Thanksgiving Day with so many families out for dinner or family visits, but mostly due to the fact that St. Albert is getting tired of having so many elections in such a short period. Nevertheless, the 65 had more than 1½ hours to ask questions to the 4 candidates, which made this evening quite interesting. All candidates explained their platform which they had already presented to the Electors by way of advertising and pamphlets. Coffee and donuts were this time taboo, because the man in charge of this most pleasant entertainment, was also on a Thanksgiving Day family trip. It is to be hoped that our Chamber can avoid in the future organizing such a rally on a National Holiday or a long week-end. The meeting adjourned at an early hour, surprising the families by seeing the Moms and Dads home before 10:30 P.M.

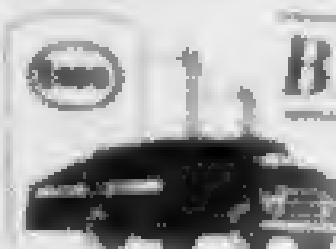

THE TURN OUT

The disappointing turnout on the election rally was a real bad sign for the turnout on the election day. Approximately 70% of our electors were not interested to cast their vote in the October 13th Town Election. Disappointment doesn't express enough this bad event. How is it possible that 70% of our taxpayers are not interested in the future of our Town? Are the lawsuits (\$800,000), the Sports Centre, Swimming Pool, Library, Form of Government, and the general development of our Town, no longer matters of concern to the ones who have to pay for it? We cannot believe it because the numerous discussions and debates in our Town in regards to these matters are daily topics amongst our taxpayers. Are we really tired after so many years of hot political issues, or are we convinced that the present Council is on the right track, promoting and providing St. Albert with a pleasant period of political peace? We should never forget that either during war or peace we still have to cast our vote to be thankful that we live in a country where we have the right to express our democratic feelings during an election. How would the 70% act if this democratic voting right was thrown in the wastebasket and taken over by a group of men who would dictate what we have to do? Our Mayor and Councillors should have the so important security that they are backed by a majority of interested citizens in our Town who once a year will re-examine our Town Fathers for the work they have done in the past. Use these precious democratic rights as often as you can, defending them wholeheartedly for the sake of our freedom in St. Albert, Alberta, and Canada. Don't forget those ones who wanted, even gave their lives, to obtain these democratic rights, which we so carelessly disregard as shown during this election.

THE ELECTION

Previous experience on the St. Albert Council brought John deBruin back in his seat. He topped the poll with 64% of the votes. The electors have expressed their trust in the Chairman of the Finance Committee, John deBruin, one of the most vulnerable jobs on Council. Raymond Gibbon was a close second with 61% of the votes. His strong campaign as an Independent Candidate and as the man who attended for one year Council meetings, has paid off. The losers this time were Veroni and MacEachron who were running as members of the Independent Candidate Committee. Their campaign was far from the same as

we have seen during previous elections sponsored by the Independent Candidate Committee. They lost their race against "experience" which seems to be valued high by the St. Albert ratepayers.

Doug Petherbridge had a walk-over in his first contest in the running for Protestant School Board Trustee. He won the race with 67% of the votes with Derrick Browne, 33%. Both candidates have had quite a bit of experience in the Protestant School District, Doug Petherbridge as teacher and principal, and Derrick Browne as Trustee of the Board. This time the choice was the experience of the principal in the educational field.

Dave Fraser and Joseph Meleshko won the Public School District contest. Fraser topped with 60%, again due to the fact of his experience as previous trustee of this Board. Joseph Meleshko followed with 53%, leaving Rene Kambouroff and Leo Lancaster behind him with respectively 46% and 41%.

The salary for the Mayor could not get the approval of a 2/3 majority of the propriety electors, although it received 62.59%, just a few percentages short of the necessary 66.6%. We do not understand what the electors, who voted against this By-Law, expect from a mayor to do his work properly if he is not paid. But we know that as long as we do not have a paid chief executive we cannot expect that we will have the best man in this so important position. All council candidates have in public supported a mayor's salary, knowing from closeby that no salary for the mayor would be irresponsible towards our Town as a whole. We sincerely hope that the ratepayers will review their opinion in regards to this important matter as soon as such a mayor/money by-law will once again be presented to us during another Town Election. Election rally, campaign, and election day was a clean one which is worthwhile to mention and worthwhile to remember.

THANK YOU DAVID!

A man who we will surely miss during the forthcoming council meetings is Dr. David Stewart. We do not mention his name because he served the Town and Council for 41 months. We have had public servants in our Town with a much longer record of service. The reason that we mention his name is the fact that David Stewart was gifted with that kind of political intellect which allowed him to be sharp and to the point at any moment he wanted without being condemned by his fellow councillors or fellow citizens. He had that patience, not as a weakness, that one needs during hot debates and confusions at Council meetings. There are not many politicians who can act in the manner he did. He was respected by most of our political groups in Town and we seldom have heard any harsh remarks regarding him. It was David's wish not to run again for his Council seat. He wanted to have more time for his studies which he could not afford during his 41 months on Council. He was a Councillor who always attended the meetings, which is one of the best things that he has offered to Council and to our Town. A loyal and honest man with a strong feeling for the responsibilities laid on his shoulders as a servant to the Town of St. Albert. We wish him all the best for the future.

Dr. David Stewart in one of his characteristic postures during a recent Council Meeting.

Any way you figure it...

Choir - The Choir has just begun practicing for Midnight Mass. New members are most welcome at this time and are asked to call the Director, John Hermone at 599-6809, or attend the 10:30 Mass on Sundays and introduce yourself.

Squirtettes of Mary - Fifteen girls remembering that Thanksgiving Day is a day especially for thanking, set out to try and make this day a little more enjoyable for others. These girls are Squirtettes of Mary from St. Albert who donated their services to the Marian Centre in Edmonton. A complete tour of the Marian Centre, which included the new chapel and a large recreation room for the men who come to Marian Centre, proved to be very informative. The tour ended in the dining room where we all sat down to our noon meal with the staff of Marian Centre. After our meal, we were assigned to various tasks. Now that we had seen how Marian Centre operates, we attacked our jobs with enthusiasm. A few of the girls ironed and mended while others helped in the clothing room. Still others assisted in the kitchen by preparing vegetables for the evening meal. All too soon, the time for our departure was at hand. We left Marian Centre slightly weary, but happier and wiser because we had discovered that man's true happiness comes only from giving.

UNITED CHURCH

The Eleventh Annual Banff Conference of United Church men was held at the Banff School of Fine Arts on October 15, 16,

17, to hear Dr. C. Earle Gordon, minister of St. Andrews River Heights United Church, speak on the theme "Jesus Christ and the Christian Life." 485 delegates from all parts of Western Canada attended the Conference. Four men from our congregation, Mr. A. Riadero, Mr. A. Ralph, Mr. A. Cunningham, and the Rev. L. Munto, attended. These men report they had a very worthwhile experience that was most inspirational and helpful. A Halloween Masquerade Party is to be held in the lower Church Hall, sponsored by the Triple M. Club on Friday, October 22 at 8:30 P.M. Tickets will be available at 50¢ per person or 75¢ a couple. All adults of the congregation are welcome. Come and enjoy a fine social evening together. For information call 599-6042, -6234, -6855.

The Katherine Usher Unit of the O.C.W. meets on Monday October 25 at 8:15 p.m. at the home of Mrs. J. Sowers, 18 Birch Drive. This meeting takes the form of a social, and each member is asked to bring a friend.

The Triple M Club has published the October issue of the Congregational Newsletter this past week. Their work and efforts in this connection are greatly appreciated by all.

A letter and questionnaire was sent out last Sunday morning with the Sunday School children, to ascertain the wishes of parents concerning the need for two morning services and two Sunday schools to be held at 9:30 and 11:30 a.m. Your answer from the questionnaire will help the Session decide whether such a change should be made. These should be returned with the children next Sunday morning or mailed to 3 Grandin Place before next Sunday.

ANGLICAN CHURCH

Wednesday, October 20th - W.A. meet at 8:30 p.m. at 4 Sabla Crescent. Women of the parish are invited to attend.

Friday, October 22nd - Choir practice from 7 to 8 p.m. at 29 Grandora Crescent. If you would like to sing, come and join us at this time.

Saturday, October 23rd - Laymens Conference at St. Luke's Church in Edmonton. This day long (10 a.m. - 5 p.m.) conference has been arranged by the Diocese in order to help the men of the parishes. It will be led by Mr. Eric Freeman, Director of lay work, from Toronto. Those

laymen who can attend are asked to contact the Rev. J. Dawkins 599-6373. Transportation will be provided.

Sunday, October 24th - 9 a.m. Holy Communion with instruction. 11 a.m. Morning Prayer and Holy Baptism. Parents with infants for baptism are asked to contact the minister.

Fall Visitation - Plans for this event is under way. Visitation is scheduled for November 14th. With your co-operation we shall take another big step forward in the development of the parish.

Your Member of Parliament started out in St. Albert

THIS IS THE HONOURABLE MARCEL LAMBERT

From a boyhood in the village of St. Albert, it took Marcel Lambert 43 years and a circuitous route to reach his destination in the post of Minister of Veterans' Affairs in the Government of Canada in 1963. It takes most men longer, but Marcel Lambert spent less time on the by-paths, observing and absorbing quickly the experience so valuable to public life and effective administration.

He was born in 1919 to Madame and Monsieur Joseph E. Lambert of St. Albert, Alberta. During his boyhood in that community of 250 people, he was an average everyday neighbor boy, roaming the same fields on Saturdays as your children roam today, fishing and swimming the Sturgeon River, finding interest in the same projects you did or your sons do now. His one exception to today's youth - he was completely bilingual. French and English alternately tripped off his tongue, fluently, articulately, correctly. He was equally at home in either language, thanks to his French-Canadian parents, who believed in preserving the traditions of heritage as well as adapting to present conditions. Today, that heritage is a valuable asset to Marcel's career.

The first 8 years of Marcel Lambert's life were spent in St. Albert. The next dozen, where he attended St. Joseph's High School and entered the University of Alberta as a commerce student, were Edmonton years. Then came the second world war and Marcel enlisted from the university, joining the RCAC King's Own Calgary Regiment. The regiment went overseas, but the Dieppe raid of 1942 cut short their service, and Marcel sat out the final three years of the war as a prisoner. Never a wastrel, Marcel Lambert put as much of those three years as the prisoner-of-war camp and its facilities allowed in basic reading for his honours course.

On his return to Canada, Marcel Lambert re-entered the University of Alberta, graduating in 1947 with a Bachelor of Commerce degree and a Rhodes scholarship which allowed him to continue his legal studies at Oxford University in England. In 1950, he joined a leading city law firm. Two years later, he tried his hand at politics - as a candidate in the provincial election. By 1957 he was ready to stand federally for the Progressive Conservative Party in the constituency of Edmonton West. He won. And he has continued winning in three subsequent elections. This election campaign is his fifth in 8 1/2 years.

During those years his ability was recognized and rewarded with extra responsibilities - first as Parliamentary Assistant to the Minister of National Defence in 1957-58; then, three years as Parliamentary Secretary to the Minister of National Revenue, and in 1962, all parties of the government unanimously approved his nomination as Speaker of the House of Commons. In 1963, he was named Minister of Veterans' Affairs in the Progressive Conservative Cabinet.

However, Marcel Lambert's journey to Cabinet responsibility was not smooth and uninterrupted. He took many side trips, working for two years before entering university as a bank clerk, in a retail store, and in summer as a dock worker in the Northwest Territories. Each stop-over gave him new understanding, new knowledge, new experiences that have been valuable in helping him make the right decision, recommend the right solution to a particular problem affecting northwestern Canada.

Marcel Lambert also stopped long enough along the way to marry Olive Lowles on June 30, 1945 at Seaford, Sussex, England, to become the father of three boys, and to contribute to community service as the founder of the North Glenora community league, as President of the Family Service Bureau, Vice-President of the Council of Community Services and board member of St. Mary's Home for Boys.

Nor, in his hurry to reach his destination, has he lost touch with the world that peopled his boyhood, his adolescent years, and his adult struggles. He can still talk crops with a St. Albert farmer, discuss transport problems or scale the scaffold at a construction site to talk building costs with the contractor. And he has time for reminiscing with childhood friends and friends of his parents. His is a quiet personality, warmed by a whimsical humour, steeled by a strength of determination. He's a man who fits easily into any picture in any part of Canada - French or English.

This is your Member of Parliament, The Honourable Marcel Lambert .. and he hails from your town, St. Albert!

From the Prime Minister -

This year's celebration of International Credit Union Day by twenty million people around the world is an occasion for special pride and satisfaction among three and a quarter million Canadians who own and operate their own credit unions.

Their savings in these credit unions and their low-cost loans to fellow members contribute to a better and more satisfying way of life for them and their families.

Beyond that, they have a special feeling of pride that the development of credit unions internationally was really begun by a fellow Canadian. Sixty-five years ago, Alphonse Desjardins started this continent's first credit union in Lévis, Quebec, and nine years later he helped to organize the first credit union in the United States. The inventors of his ideas have continued to share them with others.

In the developing nations today, credit unions make a special contribution, helping people improve their standards of living and introducing them to democratic ideals. The Canadian office of CUNA International and the headquarters of our credit union leagues across the country have helped to provide special training in credit union methods for men and women from these countries, many of them brought to Canada by our External Aid Office.

Spokesmen for the Canadian credit union movement have assured us they want to work even more closely with the government in the war on poverty and with the Company of Young Canadians. We are pleased with this, as we are pleased with the progress Canadian credit unions have made over the years.

On the occasion of International Credit Union Day, 1966, I congratulate credit union members in Canada and around the world, and extend good wishes for their progress in the future.

(Sgd.)

L. B. Pearson

By Florence Lefebvre
Phone 599-7030

Party Line

Buses carrying loads of students to and from schools are a common sight in St. Albert. However, there is another somewhat smaller bus taking young students to a very special school in Edmonton Monday through Friday that you may be very interested to know about. In following issues of the Gazette we will bring to our readers the reason for the daily trips these little children eagerly take in order that they may be given the daily instruction and care they require.

You will also be told of the invited parents and teachers involved and of the gracious lady who is responsible for the creation of this expensive school. Through the kindness of the editor, the story will be related through this column.

Recipes

Christmas Recipe Contest - The time to start is NOW. We know that traditional dishes for Christmas will be kept alive. But there is the possibility that sharing even a recipe with someone else at Christmas will make you as happy as giving an expensive gift without spending. Send in your favourite recipe so we can publish it for others to try on time for this Christmas and at the same time take a chance on winning 1st prize, a \$100 turkey donated by Perron's store. Send the recipe only to Florence Lefebvre, 14 Grandview Avenue, St. Albert, signed with your name and address and telephone number. The lucky winner will be announced in the last issue of the Gazette before Christmas. Good luck!

Club Dates

St. Albert - 1966-67 - The St. Albert Lions Club will be holding a "Lions and Lions Club" party at the home of Mrs. J. J. Brown, 1400 10th Street, St. Albert, on Friday, October 21, 8 p.m. to 11 p.m. The party will be held at the home of Mrs. J. J. Brown, 1400 10th Street, St. Albert, on Friday, October 21, 8 p.m. to 11 p.m.

DOES AN AVON REPRESENTATIVE CALL ON YOU?

699-5322 Sherwood Park, Alta

Delancey, Mrs. Sharon Gibb, Mr. Davis, and Mrs. Nina Star, were by all means Wednesday evening. A social meeting was held at the home of Mrs. J. Sinclair, in order that the Rushes might see the results of its progress. After a short meeting, Mrs. J. Sinclair gave an explanatory address on the progress of the Rushes and we hope the Rushes will be as successful as we enjoyed them.

The report of the Rushes was very well received. The Rushes has almost been raised with a shortage of \$18.03. With a few contributions from people who have been missed, we could very easily cover the total. Those who wish to contribute may do so by calling Mrs. J. at 599-6319 or Mrs. Sin at 599-6319. There are so many demands on the U.S.F., our contribution is tant and very much needed.

Triple "M" is planning a Christmas party Friday, October 21, at the United Church, 1000 10th Street. The party will be held at the home of Mrs. J. J. Brown, 1400 10th Street, St. Albert, on Friday, October 21, 8 p.m. to 11 p.m. The party will be held at the home of Mrs. J. J. GREAT DAY FOR LIBERALS

Enthusiastic Welcome!

Prime Minister in St. Albert

A crowd of at least 1500 people welcomed Mr. & Mrs. Pearson last night at the Grandin Shoppers Park. The Prime Minister was officially welcomed by Mayor Richard Fowler and his wife. Little Kathy, the Mayor's daughter, presented a beautiful bouquet of pink roses to Mrs. Pearson. After this heart warming ceremony, Mayor Fowler introduced the different councillors and their wives to Mr. & Mrs. Pearson. Mr. Pearson had only a

few minutes to address the surprisingly big crowd. He said that he was impressed by such a welcome and that he would like to stay if he had not another engagement in Westlock. He told the hundreds of boys and girls to be happy to be a Canadian and he hoped that they would grow up as free people in a great and free Canada. Dr. Herb Meltzer, the local candidate for Edmonton West, accompanied the Pearsons. Hundreds of Maple Leaf flags made this short visit a gay and colorful one.

ST. ALBERT BRIDGE CLUB

♥ *Let's Play* ♥
Duplicate Bridge

St. Albert Bridge Club

Twenty-four Bridge Players of the St. Albert Bridge Club participated last Sunday in the Northern Alberta Open Pair Championships. This annual top bridge event in Edmonton will be played over 2 consecutive Sundays. The next session will be this Sunday, October 24th and will finally decide which pair will become the Northern Alberta Champions for 1965. The regular Club games of the St. Albert Bridge Club will start again on Sunday, October 31.

EDMONTON APHASIC ASSOCIATION

A film entitled "...And so they move", will be shown at the monthly meeting of the Aphasic Association to be held on Tuesday, October 26th at 8:15 p.m. in Red Cross House, 9911 - 106 Street. Dr. Patricia Austin, Director of Physical Education at the University of Alberta, will use the film to underscore her talk on "The important role played by physical education in the total development of the brain-injured child." The Association is aware of the vital necessity of extending or improving the motor skills, and physical education is part of the curriculum at the Aphasic School. Physical education is thought of not only in terms of its contribution to muscular strength and skill, but also in terms of its contribution to the development of basic readiness skills necessary before formal education of the child may begin. This meeting is open to the public and information may be obtained by calling 424-4865 or write to Mrs. Joe Unger, 11141 - 111 Avenue.

MODEL C215

\$399.⁹⁵

NEW DIRECT VISION PICTURE TUBE

Revolutionary new picture tube eliminates any second or double area of glass between the eye and the picture tube. A true-to-life picture without reflection or haze. Makes cleaning simple.

INSTANT PICTURE AND SOUND
Delivers a picture on the screen within seconds. No long warm-up wait. Helps to prolong tube life.

AUTOMATIC CONTRAST

The exclusive electronic eye to be found at the top of the control panel automatically senses light changes (just like a camera light meter) and adjusts the picture contrast to suit the light conditions in the room. Manual control is easily facilitated if desired, by depressing button indicated on panel.

AUTOMATIC BRIGHTNESS

Another exclusive. A second electronic eye working in conjunction with automatic contrast circuit, provides an automatic picture brightness control. Keeps picture at the proper level of brightness automatically, regardless of changing light conditions in the room.

MONITRONIC CIRCUIT STABILIZER

Automatically monitors fluctuating voltage from house current to prevent picture shrink and "bloom". Protects expensive components from the damaging effects of power surge.

TWO-YEAR PICTURE TUBE GUARANTEE

Every Direct Vision picture tube is guaranteed for two years. This is because of the extra features which protect expensive components and picture tube.

PRE-SET FINE TUNING

Automatically "remembers" initial fine tuning setting of each channel. Continuous fine tuning adjustment is no longer necessary.

UHF ADAPTABLE

Set is adaptable to Ultra High Frequency reception. Pulls in all channels within maximum range.

TRUE HIGH FIDELITY SOUND

Three 6" speaker units and exceptional audio circuitry delivers true high-fidelity sound usually found on expensive Hi-Fi Stereo combinations.

VARIABLE TONE CONTROL

Dial the tone of sound required from bass to treble.

SPEECH/MUSIC BUTTON

For wide frequency response on music. For clearer speech frequency on speech.

MUTE SWITCH

To cut sound off for any reason such as telephone answering. Releasing switch causes sound to return at pre-determined level.

FURNITURE CRAFTED CABINETS

Contemporary wood veneer styling in Swedish Walnut, Swedish Light Walnut, Soft Lustre Walnut, Soft Lustre Mahogany. DIMENSIONS: 32 1/4" h, 35 1/2" w, 13 1/2" deep.

MODEL F250

\$319.⁹⁵

LIFETIME GUARANTEE

Exclusive! Philips four-speed automatic turntable is guaranteed for a lifetime with features found on professional equipment: skid-guard, cueing lever, constant speed, vibrationless motor; dual flip-over cartridge; automatic shut-off; plays all record sizes automatically. Record Changer type AG1025. Cartridge type AG1116 with two sapphire tips for LP and 78 r.p.m. records.

INPUTS/OUTPUTS

For additional convenience and greater flexibility, sockets are provided. Stereo or mono tape recorders can be played back through the system or direct recordings off radio or records can be made onto a tape recorder.

FOUR 1" DUAL-DIODE SPEAKERS

Exclusive dual-diode speakers, a development of Philips world-wide research laboratories, double the effective sound. Literally two speakers in one - one for high and one for low. Speakers employ 1500 gauss magnets which are smaller, yet much more powerful than conventional Alnico. Results in better, richer sound.

FM/AM RADIO TUNER

Complete with Automatic Frequency Control which eliminates FM signal drift, this model features an FM/AM radio tuner with temperature stabilized components that lock in signals for consistently dependable performance. FM tuner covers 88 to 108 Mc/s.

FURNITURE CRAFTED CABINETS

New, all wood cabinet, hand rubbed to luxurious finishes. Features specially designed wood grilles. Cabinet finishes in Swedish Walnut and Swedish Light Walnut. Size: 26 1/4" h, 44" w, 15 1/2" d.

OVERLOAD PROTECTOR

Protects components in the event of a circuit failure. Can be re-set from rear by depressing a button.

FM MULTIPLEX

The circuit of this model has been specially designed for future adaptation of FM Multiplex (stereo radio reproduction). Also available with FM multiplex built-in (model F250X).

MODEL C55

\$289.⁹⁵

TWO-YEAR PICTURE TUBE GUARANTEE

Every Philips Direct Vision picture tube is guaranteed for two years. This is because of the extra features in a Philips T.V. which protect expensive components and picture tube.

AIR-COOLED, HINGED CHASSIS

Designed for maximum air flow and protection of sensitive components. Hinged for easy access.

NEW DIRECT VISION PICTURE TUBE

Revolutionary new Philips picture tube eliminates any second or double area of glass between the eye and the picture tube. A true-to-life picture without reflection or haze. Makes cleaning simple.

INSTANT PICTURE AND SOUND

Delivers a picture on the screen within seconds. No long wait. Helps to prolong tube life.

MONITRONIC CIRCUIT STABILIZER

Automatically monitors fluctuating voltage from house current to prevent picture shrink and "bloom". Protects expensive components from the damaging effects of power surge.

UHF ADAPTABLE

Set is adaptable to Ultra High Frequency reception. Pulls in all channels with maximum range.

SUPER CASCADE TUNER

Pulls in weak signals for top performance even in fringe reception areas.

DEEP ETCHED CIRCUIT BOARDS

Printed and wave soldered by an exclusive Philips process. Won't warp, burn or wear out.

OVERLOAD SWITCH

Protects components in event of a circuit failure. Can be easily re-set from rear. Eliminates need for service call.

FURNITURE CRAFTED CABINETS

Contemporary styling in wooden veneer, handsome proportions and available in Swedish Walnut finish. DIMENSIONS: 28" high, 27 1/4" wide, 12 1/4" deep.
